System Control Engineering was the primary supplier of gas equipment for the 2000 Sydney Olympic Cauldron. Equipment supplied included Jeavons gas regulators, Kromschroder VK valves & pressure switches.

Who lit the Olympic Cauldron at the 2000 Sydney Olympic Games?

Email your answer to news@systemcontrol.com.au for your chance to win a \$50 account credit.

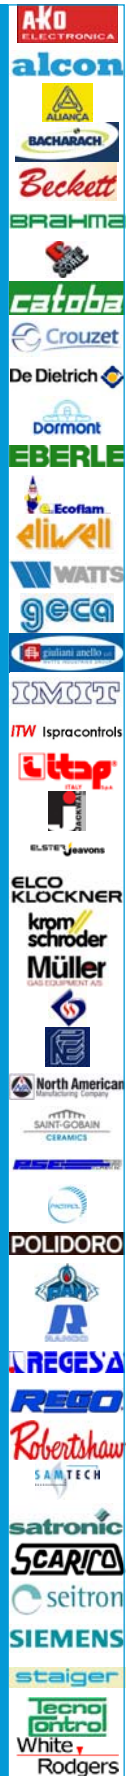

WIN \$50

All correct answers will be placed into a ballot which will be drawn on the 1st of December. The winner will be announced in the next edition of The Firing Line.

Entries close on the 30th of November 2007.
