

# The Firing Line

Brought to you by  
**System Control Engineering Pty Ltd**

A.C.N. 006 491 881

## Merry Christmas

We would like to take this opportunity to wish you a happy Christmas & a prosperous new year.

Your business with System Control in 2007 is much appreciated and we look forward to serving your gas, combustion & control needs in 2008.

# 2008

Next year promises to be an exciting one for System Control.

- ◆ New Supplier **MADAS**
- ◆ New **NBP** Air Heat Burners
- ◆ New White Rodgers **THERMOSTATS**
- ◆ New **ELIWELL** & **RANCO** Product Lines
- ◆ Kromschroder **VALVARIO** Series Valves Arrive

Read on for further information about the exciting developments we will see next year, and to learn of last months trivia winner.

# MADAS®

System Control is proud to announce that we are now the exclusive agents in Australia for Madas.

## *The Company*

- Italian manufacturers of high quality safety and regulation devices for gas / air
- Strong quality standards
- ISO 9001 Accredited

## *Filters*

## *Regulators*

## *Pressure Relief Valves*

## *Solenoid Valves*

## *The Products*

- Competitively priced
- Provide a reliable solution for gas regulation and control
- Meet CE and / or EC standards

# Arriving January 2008

## kromschroder

## valVario®

◆ Flexible

◆ Compact

◆ Efficient

## Benefits

- IP 65 Rating
- Easy to install
- AGA Approved
- Suitable for Biogas
- Blue LED indicates functionality
- 50 kPa maximum inlet pressure
- Constructed of nonferrous metals
- Slim, modular design and great flexibility
- Achieve higher flow rates with the same nominal size

valVario On The Web

# WINNER

Congratulations *Peter Huthnance*, of Boilerland Pty Ltd, for winning last months trivia competition.

Peter has won a \$50 dollar account credit for answering last months trivia question correctly.

**Q.** *Who lit the Olympic Cauldron at the 2000 Sydney Olympic Games?*

**A.** *Cathy Freeman.*

Thanks to all of those people who entered, but did not win on this occasion. Please stay tuned to *The Firing Line* for more trivia competitions in 2008.

## System Control Suppliers

	AKO - thermostats		Junkers - piezo ignitors
	Alcon - solenoid valves		Klockner - gas & oil burners
	Alianca - LPG regulators		Kromschroder - valves, switches & motors
	Bacharach - combustion analysers		Muller - L.P. gas regulators
	Beckett - gas burners		Negaban - valves
	Brahma - burner controls, valves & ignitors		Neptronic - damper motors
	Bray - gas burners		North American - burners & burner controls
	Campini - thermostats and temp controls		Norton - HSI ignitors
	Cast - electrodes		Oara - regulators
	Catoba - pilots, valves & thermocouples		P.S.E - flame rods
	Crouzet - control boxes & U.V. detectors		Pactrol - gas burner control boxes
	De Dietrich - boilers		Polidoro - gas pilot & atmospheric burners
	Dormont - connectors & flex tubes		RAM - gas burner control boxes
	Eberle - electronic & mechanical controls		Ranco - electronic & mechanical controls
	Ecoflam - gas & oil burners		Regesa - ignitors
	Eliwell - electronic controls		Rego - L.P. gas regulators & accessories
	Fimit - guages		Robertshaw - gas valves & controls
	Geca - gas sensors & instruments		Samtech - meters & regulators
	Giuliani Anello - gas filters & regulators		Satronic - flame safeguards & controls
	Imit - pockets & thermostats		Scarico - controls & ignitors
	Invensys - appliance controls		Seitron - detectors & thermostats
	Ispra Controls - control boxes & ignitors		Siemens - controls
	Itap - ball, check & bib cock valves		Staiger - gas solenoid valves
	Jackwal - infra-red burners		Tecnocontrol - gas sensors & instruments
	Jeavons - gas pressure regulators		White Rodgers - combo controls & valves
